

# Kids Helping Kids VBS Project

## **BREAKING NEWS**

Last year, several local congregations in the Terre Haute area had the exciting idea of having their VBS Service Projects help the inner-city children of the 14th & Chestnut Community Center. We were blessed with love of offerings (\$600 collected by one group of VBS children!), shoes, socks, canned good and food for our free feeding program, and items for our Merit-Mart Reward Store.

If your prayers for your 2004 VBS include teaching your children the joy and blessings of giving to others, please call us if you would like to do a KIDS HELPING KIDS VBS PROJECT!
